Organizing Change An Inclusive Systemic

To build power, we must also consistently work to develop our skills as organizers. Over the past several years, our members and staff have participated in the Center for Third World Organizing's (CTWO) Community Action Trainings. Through these trainings, ONE DC members, as well as other local organizers, activists, and tenants studied different types of organizational structures; the power of ...

Institutional racism (also known as systemic racism) is a form of racism expressed in the practice of social and political institutions. It is reflected in disparities regarding wealth, income, criminal justice, employment, housing, health care, political power and education, among other factors.. The term "institutional racism" was coined and first used in 1967 by Stokely Carmichael (later ...

Helsinki Design Lab helps government see the 'architecture of problems.' We assist decision-makers to view challenges from a big-picture perspective, and provide guidance toward more complete solutions that consider all aspects of a problem. Our mission is to advance this way of working. We call it strategic design.
