Typically, art teachers assign homework sketchbooks. Students are asked to turn in or show their sketchbooks periodically. The purposes are to get practice in drawing, to become more aware of their everyday surroundings, and to accumulate a collection of relevant ideas for artwork projects in class.

### **Teaching Idea Generation in Art**

The side of a ship on which it was laden (that is loaded) was called the ladeboard, but its opposite, starboard, influenced a change in pronunciation to larboard. Then, because larboard was likely to be confused with starboard because of their similarity of sound, it was generally replaced by port.

There are different ways of thinking sociologically. The three "classic" ways are those of Karl Marx - Emile Durkheim - and Max Weber. This web page looks at the way of Zygmunt Bauman, who published a book called Thinking Sociologically in 1990 and a younger man, called Tim May, who revised the book in 2001. Bauman and May write about three strategies of thinking sociologically (which are not ...
